Mike is a mental health nurse with 20 years of experience providing training in a variety of health and social care areas.

Mike is passionate about providing not just the latest evidence based training but also to make it fun and real. Mike has worked for local organisations including the NHS and Age UK throughout his career and is excited to be able to offer training, support and guidance to you and your organisation. Its not all about work for Mike and you will often find him pedaling around the country lanes of Worcestershire out on his bike (yes im afraid to say dressed in lycra) or down the local swimming pool trying to be the next Michael Phelps(If you know you know)
